

**Otterbacher and Prowant Named to OFMA PAC Board**  
**Submitted by The Towner Group**

Kurt Otterbacher and Bill Prowant have been named by the OFMA President to the OFMA PAC Board. The OFMA PAC was created to assist the OFMA, its supporters and friends with contributions to their Senators and State Representatives. The OFMA PAC Board decides which state legislators the Board will make contributions to.

With more and more issues coming before state legislators that affect the fair industry, it is necessary to be able to contribute to politicians who assist us with our legislative activities. If we are to get more State dollars for the Amusement Ride Safety Fund, we need to be able to make political contributions to those legislators who assist us. The OFMA PAC enables members of the OFMA and members of GOSA to assist in the election of public officials who will be accessible and responsive to the needs of fairs, amusement ride companies, and concessionaires. It is important to keep advocates for our interests in elected office.

We need all of the members of the OFMA and GOSA to get involved. There are many ways for a member to be involved and contributing to the OFMA PAC is one of the easiest ways. OFMA's and GOSA's legislative involvement can only be successful with the dedication and help of its members, supporters and friends. A contribution to the OFMA PAC will help us impact important legislative and regulatory issues that affect our industry.
