

It's That Time of Year Again

Spring Awards Just Over the Horizon

The Nominations and Awards Committee is now accepting names for Spring Awards. These awards afford an opportunity for the membership of the GOSA to recognize outstanding Fair Managers, OFMA District Directors and support staff at events we play throughout the season. These Awards are presented at the various OFMA Spring Dinners. We also select a Festival of the Year at this time and that award is presented at the OFEA Convention in November or at the festival itself if scheduling allows. Nominations should be accompanied by at least a paragraph in support of the candidate and must include the nominator's name. Anonymous nominations will not be considered.

Categories:

Fair Secretary of the Year _____

By _____

Concession Manager of the Year _____

By _____
